Reminders

- Vehicles are not to drive or park on the lawn at the Gazebo as this can result in damage to the lawn and irrigation system.
- Children are not to be on the stage steps during performances and are not to be on the stage unless invited by the performers. We realize there are performers who like to include audience members in their performance and that is the only time anyone other than the performers are to be on stage. Obviously this is a safety issue

We look forward to your upcoming performance at the Gazebo Summer Concert Series.

Sincerely,

Bill Fecht
President
